You will apply huge personal integrity coupled with resilience to be part of a team that is known for delivering and keeping its promises. Your team will get things done on time, to the highest standards and learn quickly when things go wrong.

With infectious and unwavering levels of enthusiasm, inspiration and motivation you will be part of a team that is responsible for the day to day delivery of the: -

- Triage and Prevention Service

Principle Accountabilities and Responsibilities

You will be part of a team of Homeless Prevention Officers delivering a high performing outcome focused service and coordinate the day-to-day service of providing housing options and preventing homelessness.

You will have thorough understanding of prevention options, extensive experience of preventing homelessness successfully with excellent negotiation skills and will be able to determine the available options and pathways for resolving threats of homelessness whilst working with households proactively to pursue their options.

You will work flexibly with households as we recognise that no two circumstances are the same and the resolution pathway will constantly adapt to each case and empower applicants to resolve their own homelessness and possibly future homelessness by providing a comprehensive suite of advice, assistance and support.

You will be able to demonstrate comprehensive knowledge and understanding of homelessness legislation and case law coupled with hands-on experience of preventing homelessness and making statutory decisions.

You will interview, advise and deal with applications from potentially homeless clients both at the office and by home visiting to ascertain why they are threatened with homelessness and discuss all the options available to them. This will include immediate intervention to prevent crisis homelessness.

You will follow up initial interviews undertaking further enquiries, writing reports, compiling statistics. Deal with the welfare aspects of homeless cases, referring applicants to other agencies on the applicant's behalf where necessary and attend case conferences and ad hoc meetings as required.

You will develop partnership working and liaise with and maintain and develop effective working links with other departments in the Council and external agencies to develop schemes and initiatives to prevent homelessness. This will include agencies such as children, schools and families, mortgage lenders, solicitors and landlords.

You will deal with referrals of applicants from other service providers, both statutory and non-statutory, including public authorities with a statutory duty to refer people who are homeless or threatened with homelessness and where necessary supplement the information provided within a referral with our own investigations

You will ensure service level agreements both internally and externally are adhered to, liaising with partners to better manage transitions between services where there is a high risk of homelessness.

You will ensure that potentially homeless clients are given advice and assistance including those in housing need to whom the Council has no legal obligation to provide emergency accommodation to claim housing and other welfare benefits available to them with the aim of preventing or delaying homelessness, including the use of discretionary hardship payments (DHP).

You will identify any care and support needs that cannot be met by the housing authority; or which require health or social care services to be provided alongside help to secure accommodation.

You will ensure a high standard of accurate written records and reports in connection with the various duties undertaken, issue relevant decision letters as legally required and keep other records necessary to provide an adequate management information database.

You will be responsible to monitor and manage a caseload in line with the housing improvement plan and performance measures and will prioritise your workload in order to meet specified performance targets, including those in respect of reducing numbers of households in temporary accommodation through robust and proactive homelessness prevention work.

You will promote the prevention service through outreach work in partnership with other agencies. You will work closely with internal & external partners to identify appropriate accommodation solutions to housing need and preventing homelessness.

You will maintain and manage a detailed, extremely sensitive case load in relation to sex offenders, drug abusers, victims of domestic violence, child abuse etc and always maintain confidentiality, liaise with Probation and Public Protection Unit regarding appropriate offers of accommodation.

You will contribute to develop and review policies and procedures in line with the policy framework to ensure that they meet legal requirements and best practice.

You will contribute to preparing and implementing the housing strategy, homelessness strategy, rough sleepers' strategy, allocations policy as it relates to housing need, and to undertake projects related to the development of the service area.

You will deal with written and verbal homelessness enquiries from Members' responses to solicitors, the public and other bodies relating to homelessness and temporary accommodation and other statutory agencies as necessary.

You will be responsible for the security and safe keeping of information data bases, and use to lap top for out of hours home working

You will be responsible when required for representing the Council and team as liaison officer with external/internal agencies/departments to develop and maintain effective protocols, service level agreements and ensure they are maintained.

You will undertake the duty rota when requested.

You will contribute to the implement of a programme of corporate change aimed at taking a more pro-active and preventative approach to housing need.

You will contribute to and adhere to LBBs financial regulations, standing orders, policies and procedures
